

Anti-cxcr4 Antibody

Antibody Description

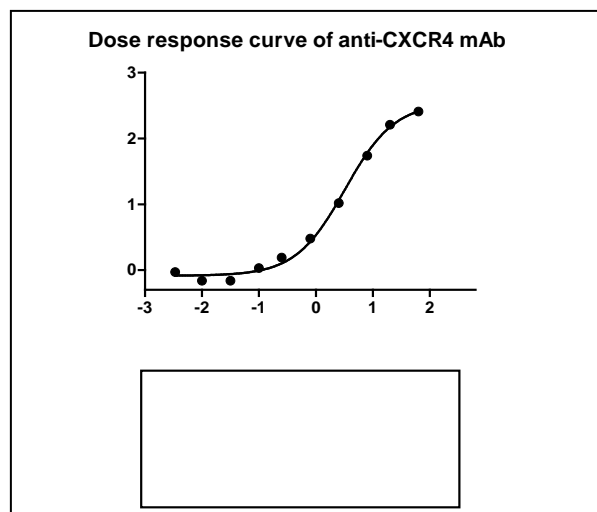

Synonyms	-
Description	Mouse monoclonal to CXCR4
Immunogen	purified GPCR protein(CXCR4) expressed in BV system
Host Species	Mouse
Purification	Protein G purified from hybridoma culture supernatant
Form	Liquid
Conjugation (Y/N)	N
Application	WB,ELISA

Key Features

subtype	IgG1
Class	monoclonal
Concentration	-
shipped in	dry ice
Specificity	React with cxcr4 protein
Storage	-20°C

QC

ELISA analysis

Western Blot
